HOW TO INVESTIGATE

BESIDE = north, south, east or west in the same room; never diagonal or through a wall.

FURNITURE = chairs, armchairs, beds, cars and puddles can be occupied; other objects block a square.

01 Place every suspect exactly once.

02 Each row and each column must contain exactly one suspect.

03 Every statement is true at the same time.

04 Respect room walls, furniture, directions and exact distances.

05 The person sharing the victim's room is the murderer.
