HOW TO INVESTIGATE

BESIDE = north, south, east or west in the same room; never diagonal or through a wall.

01 Place every suspect exactly once.

03 Every statement is true at the same time.

05 The person sharing the victim's room is the murderer.

FURNITURE = chairs, armchairs, beds, cars and puddles can be occupied; other objects block a square.

02 Each row and each column must contain exactly one suspect.

04 Respect room walls, furniture, directions and exact distances.
