HOW TO INVESTIGATE

BESIDE = north, south, east or west in the same room; never diagonal or through a wall.

01 Place every suspect exactly once.

03 Every statement is true at the same time.

05 The person sharing the victim's room is the murderer.

FURNITURE = chairs, armchairs, beds, cars and puddles can be occupied; other objects block a square.

02 Each row and each column must contain exactly one suspect.

04 Respect room walls, furniture, directions and exact distances.

THE INVESTIGATION CONTINUES

Play more cases and get logical hints when you need them.
